YOUR PRIVACY

..... is required to collect contact information from all persons who attend an open house inspection or auction house under the Queensland *Non-essential Business Activity and Undertaking Closure Direction* (i.e. Stage 2 Coronavirus (COVID-19) Business Restrictions). Accordingly, we are required to collect the following personal information from you:

1. Name,
2. Address, and
3. Mobile phone number.

Thank you for understanding that we cannot permit entry to an open house or auction without first collecting your contact information.

We value your privacy and want to reassure you that your information is required for a limited, specific and important public purpose: **tracing of COVID-19 infections within our community**. In the event that a staff member or a person who attended an open house or auction is diagnosed with COVID-19, your personal information may be requested by, and provided to, Queensland Health for contact tracing purposes. We will not provide your personal information to any other person. Our business will not use your information to contact you for any purpose, such as marketing. Only Queensland Health can contact you using the information you have supplied.

Queensland Stage 2 business restriction rules provide that we keep your personal information for a period of **56 days**. After this time, your personal information will be securely and permanently destroyed.
