For Restaurants, Cafes, Pubs, Clubs, RSL Clubs and Hotels

## YOUR PRIVACY

..... is required to collect contact information from all customers, workers and contractors under the Queensland *Non-essential Business Activity and Undertaking Closure Direction* (i.e. Stage 2 Coronavirus (COVID-19) Business Restrictions).

Accordingly, we are required to collect the following personal information from you:

1. Name,
2. Address, and
3. Mobile phone number.

Valued patrons, thank you for understanding that we are unable to offer you our range of on-premises services without first collecting your contact information. Take-away and delivery services are excluded from this requirement.

We value your privacy and want to reassure you that your information is required for a limited, specific and important public purpose: **tracing of COVID-19 infections within our community**. In the event that a customer, staff member or contractor is diagnosed with COVID-19, your personal information may be requested by, and provided to, Queensland Health for contact tracing purposes. We will not provide your personal information to any other person. Our business will not use your information to contact you for any purpose, such as marketing. Only Queensland Health can contact you using the information you have supplied.

Queensland Stage 2 business restriction rules provide that we keep your personal information for a period of **28 days**. After this time, your personal information will be securely and permanently destroyed.
